Hi! Have you ever  
heard of the Common  
Good? That's great!

It's really key  
that the bus driver  
believes in that.

In other words:

First Edition

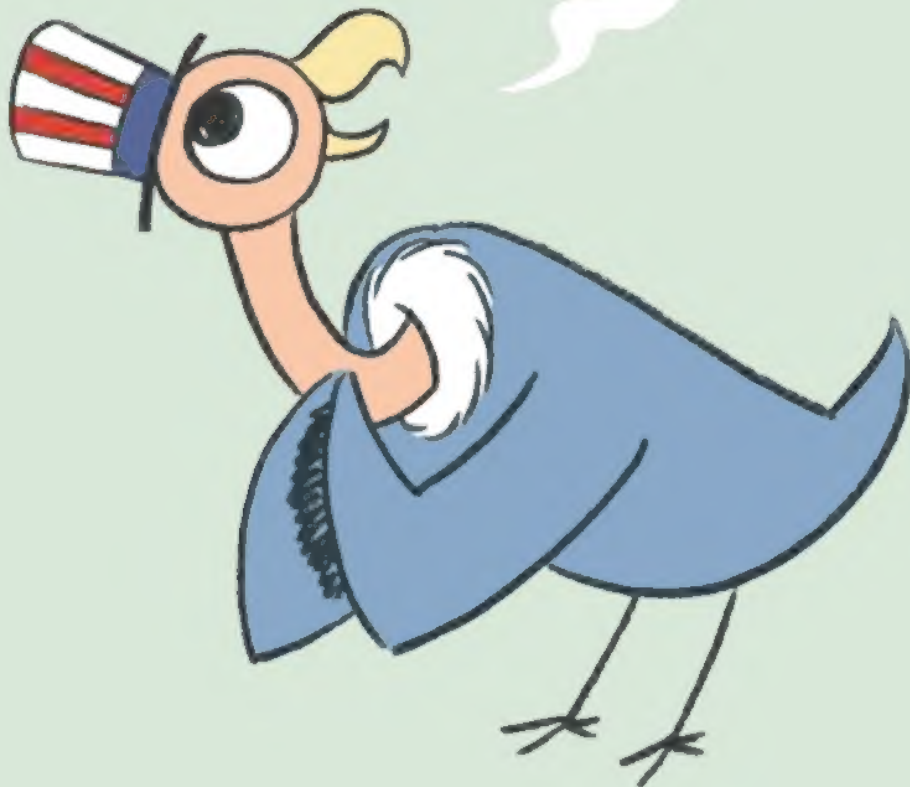

I hate public transit.  
Then again, I hate  
anything with the  
word "public" in it.

... So, can  
I drive the  
bus?

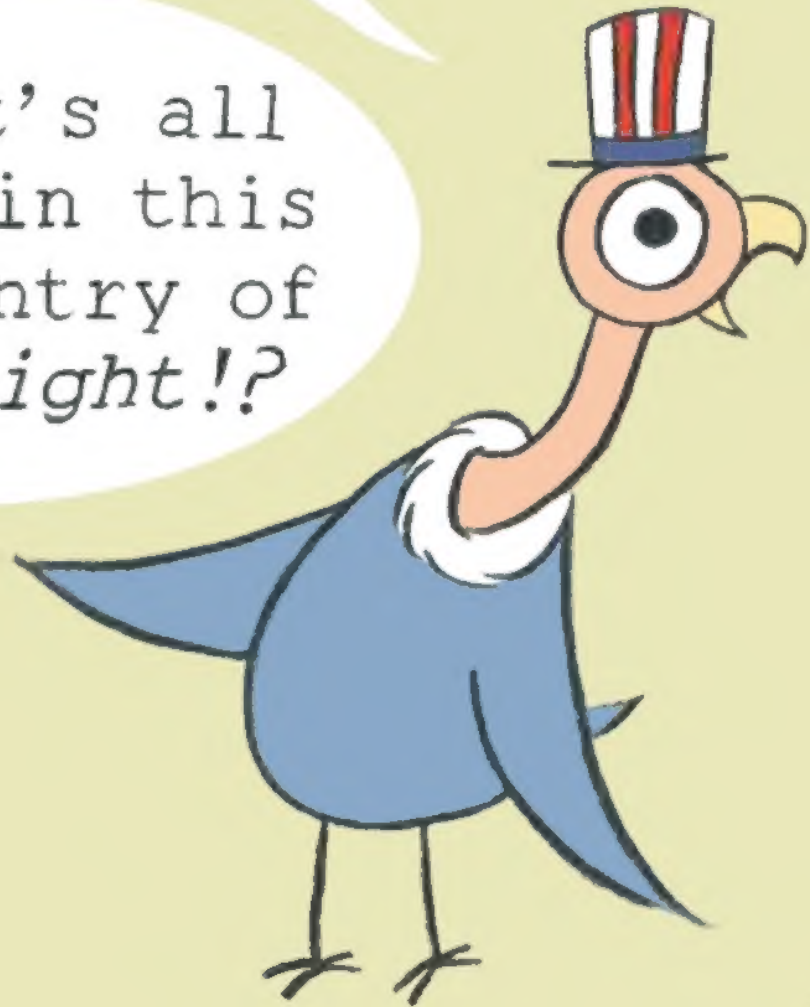

No? But I love  
people! Especially now  
that corporations  
are people...

True, I only  
like a few kinds  
of people.

But that's all  
we need in this  
great country of  
ours - *right!*?

I mean, they call  
it the White House  
for a reason...
